ACTION: Join the Peace Vigil Outside Camp Ripley: End Wars, Drones, Militarized Police

Join the Brainerd Area Coalition for Peace for a vigil outside Camp Ripley's Main Gate on Sunday, September 17 10:00 a.m. to 2:00 p.m. to counter the pro-war propaganda Camp Ripley spreads at its Open House Day.

Camp Ripley is located at 15000 Highway 115, north of Little Falls. Vigil participants can park along the right of way.

The vigil will raise awareness about drone warfare's destruction and demand an immediate end to U.S. participation in the wars in the Middle East and Afghanistan and to U.S. assassinations by drone, as well as oppose the militarization of the police forces within the United States. (Camp Ripley is a major trainer of local and state police).

After the vigil, a potluck lunch will be held at Morrison County Park. Morrison County Park is located off Highway 76, north of Little Falls.

All are welcome at the vigil and the lunch.
